Total	15.9	77.3	39.6	116.9	0.74%

Mortgages

Collective Provisions

Decreased by \$(4.3) million on December 2024 given provision releases following the execution of Whole Loan Sales and mix shift towards Prime lending

Specific Provisions

Increased by \$1.5 million from December 2024 in line with normal portfolio movement

Coverage Ratio

Reduced from 0.21% December 2024 to 0.18% December 2025 reflecting product mix shift towards higher Prime lending

Asset Finance

Collective Provisions

Increased by \$24.4 million on December 2024 driven by growth in lending AUM and model recalibration to ensure modelling was commensurate with market practices and to embed improved data and analytical predictability

Specific Provisions

Broadly in line with December 2024

Coverage Ratio

Coverage ratio increased from 1.70% to 1.86% from PCP, following movement in provisions

Sources and Uses of Cash

Corporate Cash Flow

Key Movements: 31 December 2024 to 31 December 2025

Inflow

Trust income

Interest income derived from assets under management and residual income units earned from the trust waterfalls.

Whole loan sale premium

Gross premium before costs received from the execution of whole loan sales across Mortgages and Asset Finance portfolios in the year.

Dividend

Dividend payment¹

Dividend paid in April 2025 and October 2025.

Shareholder capital release

Special dividend paid in July 2025

Outflow

Operating expenses

Includes business operating expenses and costs incurred in establishing securitisation deals and corporate debt structures.

Funding cash flow

Equity investments in securitisation structures, credit enhancement required for new loans in warehouse facilities, and funds released from warehouses as a result of whole loan sales.

Interest expense

Interest incurred on corporate debt facilities, net of bank interest earned.

Equity investment

Costs associated with the on-market share buyback

\$ Million	Movement
Trust income	296.9
Origination fees	58.2
Whole Loan Sale premium	85.9
Servicing and other income	18.9
Total income	459.8
Operating expense	(218.1)
Broker commissions	(79.4)
Total operating expense	(297.5)
Interest expense	(19.9)
Cash profit before tax	142.4
Tax expense	(58.8)
Cash profit after tax	83.6

Shareholder capital release	(55.5)
Opening cash 31 December 2024	124.0
Change in cash	(2.2)
Closing cash 31 December 2025	121.8

Balance Sheet

Key Movements: 31 December 2024 to 31 December 2025

Equity

Borrowings

Increase in note borrowings in line with movement in Assets Under Management, partly offset by lower corporate debt balance as a result of \$27.5 million principal repayment in the corporate debt facility and \$40.0 million retirement of a subordinated debt facility.

Liabilities

Retained earnings

The movement in retained earnings reflects profit delivered in CY2025, net of 2024 Final dividend, 2025 Special dividend and 2025 Interim Dividend paid.

Assets

Loans and advances

Loans and advances reflects movement in Assets Under Management, net of Whole Loan Sales of \$3.5 billion executed over CY2025 and provisions for loan losses.

Derivative financial asset

Net position driven by higher relative level of swap rates from December 2024 to December 2025.

Goodwill and intangibles

Addition of \$4.4 million work in progress assets offset by software amortisation expense \$(10.3) million and amortisation of acquired customer relationship asset \$(0.9) million.

Balance as at

\$ Million	31 December 2025	31 December 2024
Cash and cash equivalents	1,267.0	1,226.2

Retained earnings	89.5	100.3
Total equity	869.9	855.6

Outlook

Markets response to higher interest rates will be key

Market growth – entered 2026 with double digit application growth

Household saving ratios – back to long term average of 5%

Funding markets – remain solid despite geo-political issues

Scaled efficient core businesses, and growing capital light annuity stream

Mortgages:
customers remain resilient

Asset Finance:
customers still experiencing some pressure

Servicing:
Growing in line with WLS + market opportunities

Pepper Money... well positioned

Pepper Money has demonstrated capabilities

New products – strong pipeline, accretive growth, diversification

Distribution footprint and partnerships expanding

AI and technology leverage – lower cost to originate / serve, improving customer experience

Whole Loan Sales – capital light, annuity income

Strong capital management – headroom to fund growth

Non-Binding and Conditional Proposal

- Pepper Money has received a confidential, non-binding and conditional proposal to acquire 100% of the shares in Pepper Money under a scheme of arrangement (“Indicative Proposal”) from Challenger Limited (“Challenger”) under which Challenger and Pepper Group ANZ HoldCo Limited (“Pepper Group”) will jointly acquire Pepper Money.
- Under the Indicative Proposal Pepper Group will initially acquire an interest in the acquiring entity that is at least equal to its current interest in Pepper Money.
- The Proposal offers Pepper Money shareholders (other than Pepper Group) cash consideration equal to \$2.60 per share, less the CY2025 fully-franked Final dividend of 7.8cps and any special dividend paid or declared.
- The Pepper Money Board established an Independent Board Committee (“IBC”) to assess this Indicative Proposal. After due consideration and acting in the interest of all Pepper Money shareholders, the IBC granted Challenger exclusivity to undertake confirmatory due diligence and progress relevant transaction documentation in order to present a more certain proposal.
- Discussions are ongoing, however there is no certainty that a more certain proposal will be forthcoming or that the Indicative Proposal will result in a definitive agreement.

NIM Movement

Total NIM increased by 8 bps versus CY2024 driven by improved funding margins and stabilisation of swap rates / BBSW, net of customer rate.

Mortgages

Total

Asset Finance

1. NIM represents twelve months to December 2023, December 2024, December 2025 net interest income divided by average lending AUM for the relevant period. 2. Customer rate includes borrower rate, distribution cost and risk fees. 3. Funding margin includes issuance and liquidity costs.

Glossary & Disclaimer

Glossary of Terms

AUM – Lending (closing): Assets Under Management originated and serviced (securitised and Pepper Money balance sheet lending).

AUM – Servicing (closing): Assets Under Management for portfolios of third parties which are serviced by Pepper Money.

Capital expenditure: Includes investment in property and equipment and intangible software and licenses.

Core FTE: Full time equivalent employee in Australia, New Zealand and Manila supporting the Company's Lending and Loan Servicing business units.

Cost to Income (CTI) ratio: Total expense divided by total operating income before loan loss expense.

EBITDA: Earnings before corporate interest expense (including the interest charge associated with AASB 16 Leases) income tax expense, depreciation and amortisation.

Employee cost per FTE: Employee benefits expense for the relevant period, divided by average full-time equivalent employees.

Employee benefits expense/Total operating income: Employee benefits expense divided by total operating income.

FTE: Full time equivalent employee.

Net interest income: Interest charged on loans provided to borrowers (Mortgages and Asset Finance), income from Mortgage Risk Fee (MRF) / Loan Protection Fee (LPF), loan premium revenue and the funding costs and facility establishment costs associated with the debt raised to fund these assets. The net interest income is calculated using the Effective Interest Rate (EIR) which includes certain fees and costs incurred which are integral in bringing the loans or associated debt to account (such as upfront Distribution Partner commissions).

Net interest margin (NIM): Net interest income divided by average Lending AUM for the relevant period.

NPAT: Net Profit After Tax.

Originations: New loans originated during the period.

PCP: Refers to prior comparative period being the twelve months to 31 December 2024 in this presentation.

Total Operating Income: Includes net interest income, lending fee income, lending expense, Whole loan sales gain, loan losses and servicing fees and other income.

90+ days past due % closing Lending AUM: Loans where borrowers have not made the full payment of interest or principal for an amount exceeding 3 monthly instalments, divided by closing Lending AUM.

Disclaimer

Summary information

This Presentation contains summary information about Pepper Money Limited (ACN 094 317 665) (Pepper Money) and its activities and is current only as at the date of this Presentation (unless specified otherwise). The material in this Presentation is given for informational purposes only, is in summary form and does not purport to be complete. It does not purport to summarise all information that an investor should consider when making an investment decision. It is intended to be read by a professional analyst audience in conjunction with Pepper Money's other periodic and continuous disclosure announcements lodged with the Australian Securities Exchange (ASX), which are available at www.asx.com.au.

No representation or warranty, expressed or implied, is made as to the fairness, accuracy, completeness or correctness of the information, opinions and conclusions contained in this Presentation. In particular, no representation or warranty, express or implied, is given as to the accuracy, completeness or correctness, likelihood of achievement or reasonableness of any forward-looking statements or statements about future matters contained in this Presentation. To the maximum extent permitted by law, Pepper Money, its related bodies corporate and their respective directors, officers, employees and representatives (including agents and advisers) disclaim all liability and responsibility for any direct or indirect loss, costs or damage which may be suffered by any recipient through use of or reliance on anything contained in, implied by or omitted from this Presentation.

Reliance should not be placed on information or opinions contained in this Presentation and, subject only to any legal obligation to do so, Pepper Money does not have any obligation to correct or update the content of this Presentation. Statements in this Presentation are made only as of the date of this Presentation (unless otherwise stated) and the information in this Presentation remains subject to change without notice.

Financial information

Certain financial measures included in this Presentation, including Underlying EBITDA, Underlying EBIT, Underlying NPAT are 'non-IFRS financial information' under ASIC Regulatory Guide 230: 'Disclosing non-IFRS financial information' published by the Australian Securities and Investments Commission (ASIC) and also 'non-GAAP financial measures' within the meaning of Regulation G under the U.S. Securities Act and are not recognised under AAS and International Financial Reporting Standards (IFRS). Such non-IFRS financial information/non-GAAP financial measures do not have a standardised meaning prescribed by AAS or IFRS. Therefore, the non-IFRS financial information may not be comparable to similarly titled measures presented by other entities and should not be construed as an alternative to other financial measures determined in accordance with AAS or IFRS. Although Pepper Money believes these non-IFRS financial measures provide useful information to investors in measuring the financial performance and condition of its business, investors are cautioned not to place undue reliance on any non-IFRS financial information/non-GAAP financial measures included in this Presentation.

Certain figures, amounts, percentages, estimates, calculations of value and fractions provided in this Presentation are subject to the effect of rounding. Accordingly, the actual calculation of these figures may differ from the figures set out in this Presentation. All financial information in this Presentation is in Australian dollars (\$) or A\$) unless otherwise stated.

Forward-looking information

This Presentation and any related materials and cross-referenced information contain forward-looking statements, which may be identified by the use of terminology including 'may', 'will', 'would', 'could', 'should', 'expects', 'believes', 'targets', 'likely', 'plans', 'intends', 'aims', 'anticipates', 'estimates', 'continue', 'objectives', 'outlook' or similar expressions or by discussions of strategy, plans, objectives, targets, goals, future events or intentions. Indicators of, and guidance on, future earnings and financial position and performance are also forward-looking statements. These forward-looking statements are not guarantees or predictions of future performance and involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of Pepper Money or any of its related entities and which may cause actual results to differ materially from those expressed or implied in such statements. There can be no assurance that actual outcomes will not differ materially from these statements. Readers are cautioned not to place undue reliance on forward-looking statements.

No representations, warranty or assurance (express or implied) is given that the occurrence of the events expressed or implied in any forward-looking statements in this Presentation will actually occur. The information provided in this Presentation is for illustrative purposes only and is not represented as being indicative of the Pepper Money's views on its future financial condition and/or performance.

Past performance

The past performance and position of Pepper Money reflected in this Presentation is given for illustrative purposes only. Past performance of Pepper Money cannot be relied upon as an indicator of (and provides no guidance as to) the future performance or condition of Pepper Money, including future share price performance.

No offer of securities

This Presentation is for information purposes only and is not a prospectus, product disclosure statement or other offering document under Australian law or any other law (and will not be lodged with ASIC or any other foreign regulator).

Nothing in this Presentation should be construed as either an offer or a solicitation of an offer to buy or sell Pepper Money securities. Information in this Presentation is not intended to be relied upon as advice to current shareholders, investors or potential investors and does not take into account the financial situation, investment objectives or needs of any particular investor. Before making any investment or other decision, investors should consider these factors, and consult with their own legal, tax, business and/or financial advisors.

The logo for Pepper Money, featuring the word "pepper" in a bold, lowercase, sans-serif font, with the word "money" in a lighter, lowercase, sans-serif font directly below it. The text is white and centered against a vibrant red background with large, overlapping, curved shapes in varying shades of red.
