DISCHARGE FEE	\$500.00 plus costs and expenses
VALUATION	At cost

Other fees and charges may apply, as set out in the loan agreement

Sub target market for consumers with 100% interest offset sub-account feature

This feature is likely to be appropriate for consumers within the target market who:

- Have surplus cash and want to use this to reduce the interest payable on their loan while retaining access to their money.

Sub target market for consumers with a Principal and Interest loan repayment

This feature is likely to be appropriate for customers within the target market who:

- Wants to pay down their outstanding loan balance on a regular basis in addition their interest repayments, to save on interest over the term of the loan and build equity in the property.

Sub target market for consumers with an Interest Only loan repayment

This feature is likely to be appropriate for consumers within the target market who:

- Will benefit from the ability to only pay interest only on the outstanding loan balance for the duration of the Interest Only period.
- Understand that they may pay more interest over the life of the loan as not paying down principal during the interest only period.

Interest Only is available for a maximum period of 5 years, after which repayments will revert to Principal and Interest.

Purchase or refinance of an owner-occupied residential property¹

This product allows consumers to finance the purchase or refinance of an owner-occupied residential property and make principal and interest repayments in order to reduce the overall debt and build equity in the property.

Purchase or refinance of an investment residential property¹

This product allows consumers to finance the purchase or refinance of an investment residential property with the ability to select principal and interest repayments to reduce the overall debt and build equity or interest only repayments for a maximum of 5 years for tax purposes.

Access Equity¹

This product allows consumers to access part of the equity in their owner occupied or investment residential property to use the funds for an acceptable purpose in accordance with our lending criteria. Acceptable purposes include purchasing another property; home improvement, debt consolidation or investment.

¹ The maximum term, loan size, fees and charges and Loan to Valuation Ratio will vary depending on the consumer's circumstances, including the method of income validation and credit history. E.g., discharged bankrupt or defaults. Refer to the key product attributes to ensure that the available product options meet the consumer's likely objectives,

Customers for whom this product may not be appropriate

This product may not be suitable for individuals who:

- Do not meet the Near Prime target market criteria.
- Qualify for a Prime Non-Standard loan product.
- Need to borrow greater than 80% Loan to Value Ratio.
- Require a loan term greater than 30 years.
- Require a fixed rate loan.
- Are borrowing to construct a dwelling.
- Do not have ongoing income and/or employment.
- Borrowers who cannot demonstrate their capacity to repay debt over a sustained period.
- Require a line of credit facility.

Pepper may also exclude customers based on factors including, but not limited to, loan purpose.

4. How this product is to be distributed

Distribution channels and conditions

This product is designed to be distributed through the following channels:

- Pepper Money accredited and licensed mortgage brokers subject to Best Interests Duty and Licensed Intermediaries (**Third Party Channel**); and
- Directly via appropriately authorised Pepper Money employees (**Direct Channel**).

The distribution channels are appropriate because:

- The product has a wide target market.
- Pepper Money's Third-Party Channel consists of accredited brokers that are subject to a higher duty under Best Interests Duties to ensure that the product is in the best interests of the particular consumer.
- Pepper Money's Direct Channel distributors have been adequately trained and have the necessary skills and knowledge to distribute this product in accordance with the TMD.
- Pepper Money's application and approval process has controls in place to ensure all approved consumers meet our eligibility and lending requirements.
- Pepper Money conducts adequate training, upfront and ongoing due diligence and monitoring of distributors including the ongoing provision of information to these distributors.

5. Reviewing this target market determination

We will review this TMD in accordance with the following:

Review periods	First review date: within twelve months of the effective date. Periodic reviews: every twelve months after the initial review and each subsequent review.
Review triggers	The review triggers that would reasonably suggest that the TMD is no longer appropriate include (but not limited to): <ul style="list-style-type: none">• There is a material change to the product including to the fees or the terms and conditions of the product, except where the TMD has already been reviewed in relation to that change.• There is a material change in the regulatory requirements in relation to the product, except where the TMD has already been reviewed in relation to that change.• A significant dealing of the product to consumers outside the target market occurs.• External events such as adverse media coverage or regulatory attention suggest that the target market for the product might not be appropriate.• There is a material, unexpected increase in complaints, declined applications, clients in default or hardship when measured against approved metrics, determined by reference to our Design and Distributions Obligations (DDO Policy).• We receive correspondence from a regulator, including a regulatory order or direction (including the use by ASIC of its Product Intervention Powers) that expressly states or directly implies that this TMD is no longer appropriate.

Where a review trigger has occurred, this TMD will be reviewed within 10 business days.

6. Reporting and monitoring this target market determination

The following information must be provided by Pepper Money distributors to Pepper Money in relation to the distribution conduct of the Non-Standard regulated consumer loan product (Commercial Real Estate loan), if not available to Pepper Money.

Distributors should provide all reporting to ddoreporting@pepper.com.au

Type of Information	Description	Reporting Period
Complaints received in relation to the product, Pepper Money or the distributor	Written details of the complaint, including name and contact details of complainant and substance of the complaint.	Quarterly, and in any case no later than 10 business days* from the end of the quarter or from receiving a request from Pepper Money
Significant dealings	Any significant dealing which is not consistent with this TMD Including: <ul style="list-style-type: none">• The date on which or the date range over which the dealing occurred;• A description of the dealing;• An explanation of why the dealing is considered significant;• An explanation of why the dealing is considered to be inconsistent with the TMD;• How the dealing was identified (e.g., through monitoring, complaints etc.); and• Detail of what steps have been or will be taken in relation to the significant dealing.	As soon as practicable, and in any case within 10 business days* after becoming aware

*Business day is a day that is not a Saturday or Sunday, a public holiday or bank holiday in New South Wales, Australia.
